

**Friends of
Troopers Hill**

This vase was presented to

Sally Oldfield

To mark five years of Friends of Troopers Hill
and to say thank you for supporting us
and making Troopers Hill a better place.

Sally's enthusiasm and encouragement led to the formation of Friends of Troopers Hill in 2003 and has helped us to become one of the most successful park groups in Bristol.

Sally's work with Friends of Troopers Hill has improved Troopers Hill for both wildlife and people and was a major factor in Troopers Hill winning a Green Flag Award in 2007 & 2008. Thanks to Sally, Troopers Hill and other Local Nature Reserves in Bristol are now better maintained and better appreciated by the people of Bristol.

The vase was turned from wood from the sycamore tree that stood at the end of the gully on Troopers Hill and was felled as part of the habitat management works in early 2008.
